## Patron in Chief S.M. Tanveer

S. M. Tanveer is a prominent businessman and CEO of Din Textile Mills Limited, which is one of Pakistan's leading exporters of various value-added yarns. Throughout his long and distinguished career, he has achieved many significant accomplishments in the textile industry.

One of S. M. Tanveer's most notable achievements is the establishment of Din Textile Mills Limited. The company has grown to become one of Pakistan's most prominent textile firms, boasting four modern spinning units in Lahore with a total of 81,936 spindles. Din Textile Mills Limited exports high-quality value-added yarns, including 100% cotton knitting yarn under the brand name Nabeel, 100% cotton melange yarn under the brand Din, and 100% cotton compact yarn under the brand "DINCOM 4". The company's export worth exceeds \$32 million per annum, and its annual sales turnover is in excess of \$90 million.

Furthermore, S. M. Tanveer established Din Leather (Private) Limited, a top exporting firm of finished leather in Pakistan with an annual turnover of approximately \$28.8 million. He also founded Din Developers, a real estate and construction business, and Din Farms Products (Private) Limited, a poultry farming company.

S. M. Tanveer's contributions to the textile industry have been recognized by various organizations. Din Leather (Private) Limited received the Best Export Performance & Special Merit Trophies from the Federation of Pakistan Chambers of Commerce & Industry (FPCCI) in Karachi for the years 1979, 1980, 1981, 1984, 1985, 1986, 1987, 1988, and 1989 for the highest exports. The International Export Association, UK, also awarded the Gold Medallion Award to Din Leather (Private) Limited in recognition of its export achievements. Din Textile Mills Limited has been awarded "The Top 25 Companies Award" twice by the Karachi Stock Exchange in 2000 and 2001. Furthermore, S. M. Tanveer has received the Gold Medal and Certificate of Excellence in 2013 from the Chief Minister of Punjab for his meritorious services as Chairman of Punjab Industrial Estate Development and Management Company, promoting industrialization in the province. The Prime Minister of Pakistan presented an award in 2013 in recognition of his services to the textile industry as Chairman, All Pakistan Textile Mills Association, Punjab Zone.

Apart from his business achievements, S. M. Tanveer has held various positions in other organizations. He was a member of the Managing Committee of All Pakistan Textile Mills Association (APTMA), Punjab Zone from 1996 to 1997, Vice Chairman from 1997 to 1998, Senior Vice Chairman from 1998 to 2000, and Member of Central Managing Committee from 1998 to 2000. He was also a Founder Member (2004 - 2007) and President (2004 - 2005) of Entrepreneur Organization (EO), Pakistan Chapter. Furthermore, he served as a Director of Punjab Social Security Health Management Company (PSSHMC).

In conclusion, S. M. Tanveer is a highly accomplished businessman with a successful career in the textile industry. He has established various successful companies and achieved many notable accomplishments. His contributions to the textile industry have been recognized by various organizations, and his business acumen and leadership have led to the growth and success of his companies.

From the Desk of President  
**Faraz ur Rehman**

I am delighted to reach out to you through this newsletter and share some important updates and thoughts.

First and foremost, I would like to express my heartfelt gratitude to each and everyone of you for your continued support and dedication to the Korangi Association of Trade and Industry (KATI). Your commitment plays a vital role in the growth and prosperity of our organization and the industries we represent.

As we navigate through these challenging times, it is crucial for us to stay united and work together towards a common goal. The strength of KATI lies in its members, who are the driving force behind our success. I urge all of you to actively participate in our initiatives, share your valuable insights, and collaborate with fellow members to contribute to the betterment of our industry.

One of our key objectives is to foster an environment of innovation and technological advancement within Korangi's industries. We believe that embracing new technologies and staying at the forefront of industry trends will not only enhance our competitiveness but also open new doors of opportunity for sustainable growth. Let us strive to be pioneers in adopting and implementing innovative solutions that can drive our industry forward.

Moreover, KATI remains committed to advocating for the interests of our members at various levels. We continue to engage with policymakers, government officials, and relevant stakeholders to address industry-related challenges and create a conducive business environment. I assure you that we are dedicated to representing your concerns and ensuring that your voices are heard.

In the coming months, we have an exciting lineup of events, seminars, and training programs planned for our members. These initiatives aim to provide you with the necessary knowledge, skills, and networking opportunities to thrive in today's dynamic business landscape. I encourage you to actively participate in these activities and make the most of the resources and opportunities provided by KATI.

Lastly, I would like to reiterate that KATI is here to serve you. Your feedback, suggestions, and ideas are invaluable to us. I urge you to share your thoughts and recommendations, as they will help shape the direction and focus of our endeavors. Together, we can overcome challenges, embrace opportunities, and build a brighter future for our industry.

Thank you once again for your unwavering support. Let us continue to work hand in hand, creating a stronger, more vibrant business community in Korangi Industrial Area.

## NEWS

From the Desk of Senior Vice President

### **Nighat Awan**

Korangi Industrial Area (KIA) is a renowned industrial hub in Pakistan that contributes significantly to the nation's economy through its diverse range of companies and industries. The strategic location, availability of resources, and skilled labor force make KIA an attractive destination for businesses seeking to invest in the region.

KATI has successfully implemented several initiatives to enhance connectivity and accessibility, making the region more appealing to businesses and investors. Notable accomplishments in this regard include the completion of the construction and rehabilitation of the Pakistan Tanners Association Road in Sector 7-A of KIA, significantly reducing traffic congestion and improving the ease of movement of goods and services.

Repairing Pumping Station PS-II improved the sewerage flow in the area, and the construction of a new sewerage line in sector 24, with a length of approximately 1.5 km and a 30-inch diameter, along with a 1.5 km main road construction in sector 24 between 2000 and 1000, was also accomplished.

These achievements highlight KATI's commitment to making the Korangi region a better place for businesses. The organization aims to continue investing in infrastructure development and other initiatives to promote economic growth and improve the quality of life in the region. By creating a conducive environment for businesses to thrive through continued investments in infrastructure and facilities development, KATI aims to support the economic prosperity of the region.

From the Desk of Vice President

### **Muslim Mohamedi**

The Korangi Association of Trade & Industry plays a positive role in trade facilitation through various initiatives and services. It acts as a representative and advocate for businesses in Korangi, and works towards creating a favorable business environment. Here are some ways in which the KATI facilitates trade:

KATI engages with government authorities and policymakers to advocate for business-friendly policies and regulations. It provides valuable input and recommendations to shape trade-related policies, promoting a conducive environment for businesses.

The KATI organized trade exhibitions, conferences, and networking events that bring together local and international businesses. These platforms enable businesses to connect, collaborate, and explore potential trade opportunities, fostering economic growth.

The KATI conducted workshops, seminars, and training programs to enhance the knowledge and skills of its members. These initiatives covered various aspects of trade, including export-import procedures, customs regulations, and international trade practices, empowering businesses to navigate the complexities of global trade.

Overall, the KATI played a vital role in trade facilitation by advocating for favorable policies, providing trade information and support services, fostering networking opportunities, and promoting collaboration among stakeholders. These efforts contribute to the growth and development of businesses in Korangi and facilitate international trade.
